

# Recognition of Prior Learning Jewellery

## **Application Guide and Application Form for Assessment**

**Recognition of Prior Learning Unit (Assessment Office)**

## 1. Purpose of RPL Mechanism

Recognition of Prior Learning (RPL) is a mechanism whereby participation is on a voluntary basis. It aims to enable practitioners with various backgrounds to receive formal recognition of their knowledge, skills and experience under the Qualifications Framework (QF) with a view to promoting continuing education and lifelong learning. Aspiring practitioners can determine their starting points for learning and progression based on the qualification levels they have already acquired to minimise the need for repetitious training of the same skills.

## 2. Eligibility to Apply

The applicant must meet the following requirements:

- 2.1 be currently or previously in employment with the jewellery industry;
- 2.2 be a Hong Kong resident having the right of abode, the right to land or to stay in Hong Kong without restriction, i.e. either one of the symbols “A” (right of abode), “R” (right to land) or “U” (right to stay without any restrictions) should appear under the date of birth on his/her Hong Kong Identity Card (“HKID Card”). For interpretation of the symbols, please visit the website of the Immigration Department at <http://www.immd.gov.hk>. Holders of one-way permit who come to settle in Hong Kong from Mainland China can also apply. Those who are unable to present their one-way permits and HKID Cards in person for verification by the RPL Unit (Assessment Office) (**“the Assessment Office”**) should attach the photocopies of the same to the application forms for submission by mail; and
- 2.3 have reached the minimum requirement for years of working experience and relevant experience of the specific cluster of units to be recognized.

## 3. Application Procedures

- 3.1 Applications can be submitted in person, by proxy or by mail.
- 3.2 The completed application forms must be submitted together with the assessment fees and **photocopies** of supporting documents for years of working experience and relevant experience. (For applications by mail, only crossed cheques or bank cashier orders made payable to the “Vocational Training Council” will be accepted. Do not submit any original copies of the supporting documents. For applications in person or by proxy, original copies of the supporting documents should be produced for verification).
- 3.3 Applicants who are unable to present their HKID Card to the Assessment Office in person for verification should attach a **photocopy** of the same to the application forms for submission by mail.
- 3.4 To avoid any leakage of personal data, the photocopy of HKID Card provided by the applicant will be destroyed once the verification is completed.
- 3.5 Applicants must provide documentary proof of years of working experience and relevant experience issued by the employer or an authorised person (e.g. department heads or supervisors). The third party reference should include the applicant’s post title, scope of duty, years of working experience and relevant experience to prove that the functional areas he/she has previously engaged in tally with the clusters of units that have been applied for recognition.
- 3.6 If the aforesaid evidence of years of working experience are unavailable, applicants may submit other supplementary evidences (e.g. attestation of jobs issued by registered trade associations or labour unions, tax demand notes, payroll slips, or business registration certificates of the self-employed) to the Assessment Office for consideration.
- 3.7 The applicant must present the original copies of the supporting documents and HKID Card to the Assessment Office in person for verification within a specified time limit (one month from the issue date of the Confirmation Notice). Otherwise, the application shall be regarded as “unsuccessful case” and the **application fee paid will not be refunded**.
- 3.8 For applicants who need special arrangement and assistance, they should specify it clearly in Part I of the Application Form. The Assessment Office will assist to make the necessary arrangement as far as possible.

## 4. Fee Payment

The applicant may choose to pay the assessment fees through one of the following methods:

- (i) By cheques or bank cashier orders which must be crossed and made payable to the “Vocational Training Council”;
- (ii) By cash at the Assessment Office.

## 5. Clusters of Units of Competency and Assessment Fee

5.1 RPL assessment services are provided on a non-profit making basis. Applicants who request special service in the course of assessment may be asked to pay a surcharge based on the “user-pay” principle.

5.2 The RPL mechanism is conducted in the form of clusters of competency units. For details of the clusters of units, please visit the website of the Assessment Office at <http://rpl.vtc.edu.hk>.
